**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Sir:

In response to the Notice of Abandonment dated November 12, 2004, Applicants contend that the application is not in fact abandoned and request withdrawal of the holding of abandonment for the following reasons.

On September 17, 2004, Applicants prepared and filed a Fee Transmittal PTOL-85. A copy of the Fee Transmittal is enclosed herewith. Item 4a of the Fee Transmittal indicates that the Issue Fee and Publication Fee were enclosed. Item 4b indicates that a check in the amount of the fee(s) is enclosed. Further, the Fee Transmittal indicates thereon that the commissioner is authorized to charge any deficiency in the fee for this paper to the deposit account. Clearly, the Applicants intended to pay the required fees to permit the application to issue as a patent and to avoid abandonment of the application.

Additionally attached hereto is a copy of the date-stamped postcard indicating that the Fee Transmittal and a check in the amount of \$1330.00 was filed on September 17, 2004. It is further noted that the postcard additionally provides the commissioner with authorization "TO CHARGE ANY DEFICIENCY IN THE FEE FOR THIS PAPER TO DEPOSIT ACCOUNT NO. 23-0975."

MPEP § 1306 clearly indicates that "where it is clear that an Applicant actually intends to pay the issue fee and required publication fee, but the proper fee payment is not made . . . a general authorization to pay fees or a specific authorization to pay the issue fee, submitted prior to the mailing of the Notice of Allowance, will be allowed to act as payment of the correct issue fee." Further, the cited portion of the MPEP indicates that "where the deposit account information is added to the fee(s) transmittal form (PTOL-85b), but the checked box authorizing the deposit account to be charged the issue fee is not checked, the deposit account will still be charged the required issue fee and any required publication fee."

In light of: item 4a on the fee transmittal form indicating that the publication fee is enclosed; the authorization to charge the deposit account for any deficiency in the fee; and MPEP § 1306, it is respectfully submitted that the publication fee should have been charged to the deposit account no. 23-0975. Therefore, it is respectfully submitted that the application is not in fact abandoned. Accordingly, Applicants respectfully request that the holding of abandonment be withdrawn.

In any event, in order to expedite proceedings, attached hereto is a check in the amount of \$300.00 for the publication fee.

In light of the above discussion, Applicants respectfully request that the holding of abandonment of the present application be withdrawn so that the application can issue.

If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call Applicants' attorney at the telephone number shown below.

Respectfully submitted,

Hideaki FUKUSHIMA et al.
